

## Candidate Information

### Christina Hammond

**Interest:** I have lived in Exeter for almost 6 years now and I've been part of the Grounds & Pool Committees. I would like to serve on the board to help ensure that Exeter remains a great place to live. I know there are a lot of concerns and issues facing the board right now and the best way to help is to get involved.

**Qualifications:** I have been an active participant in both the Grounds and Pool Committee and I am currently the Grounds Committee chair. I also have a strong background in program management and believe I'll be able to work well with all board members to ensure the best outcome for our community.

### Nicole Solis

**Interest:** As a townhome owner, I feel it's only right to have proper representation amongst our board that seems to be made up of majority single family homeowners. It's important that all demographics are heard, and overall, I love being part of our community, so anything I can do to make it a better place, sign me up!

**Qualifications:** I was president of my class all 4 years of college, have a degree in communications and marketing, which are both a huge help when it comes to communicating internally, and externally with fellow neighbors/community members, and also with getting the word out about upcoming events/relevant news/updates, etc. I work 100% remotely (from home), so I am always available should anyone need anything. I created the department I work in, within my company, so it's safe to say I'm an innovator and a problem solver. I'm also a single mom, so my ability to get stuff done is unmatched ;-)

### Sally Stickels

**Interest:** I have only lived here for a year, however during this short amount of time there has been a significant decline in communication, follow through on HOA rules, and our overall community curb appeal. I'm hoping to support changes to improve our community.

**Qualifications:** Dedicated community member
